How often do we suggest weighing your baby?

- 0 – 6 months – once a month
- 6 – 12 months – once every two months
- Over 1 year – once every 3 months

There are no facilities at clinics for disposing of used nappies. When leaving the clinic, please take used nappies with you in a nappy disposal bag.

Please do not bring babies who are ill or are recovering from a recent infection/illness. Please arrive at least 15 minutes prior to clinic close times.
